

AFFORDABLE

We make higher education affordable! Cleary provides scholarships and grants for a variety of students and assists all students with the steps necessary to apply for state and federal funding opportunities. In addition, we build corporate partnerships, special opportunities for U.S. veterans, and tuition assistance for public service and civic workers. Our goal is helping YOU afford a university education.

We'll help you find funding to advance your education!

THE CLEARY STORY

Cleary University was founded in 1883 and has become a world-class university bestowing undergraduate and graduate degrees in far-reaching business fields. **Our faculty are experts at online instruction; they were selected & trained to be fantastic online!**

The Cleary legacy is one of perseverance and opportunity. For more than a century, we have been a business university focused on welcoming students seeking independence through a self-determined future. Our first students were women, and we continue to be led by a strong staff of broad-thinking, mostly female leaders who see no barrier to success.

82% of Cleary graduates find immediate employment
