

TRACK A

Earn your Bachelor of Business Administration in Diversity, Leadership and Public Safety In 12 Months

OVERVIEW

Cleary University is offering fire service professionals degree-completion pathways to a Bachelor of Business Administration degree in Diversity, Leadership, and Public Safety. These pathways maximize transfer credits and build upon previous work and life experiences, medical and fire training, education, military service, and professional development to reduce the time and cost of a bachelor's degree.

ABOUT TRACK A

Track A is an accelerated, 30-credit degree completion program that takes 12-months or less to complete. All courses are taken in a hybrid format meeting one night per week at a regional fire department or on campus at Cleary University. This track includes 18-week courses and 6-week courses.

ELIGIBLE FIRE PROFESSIONALS

EXPERIENCE

Track A is for fire professionals who have 8+ years of work and life experience and 5+ of public service experience.

PROFESSIONAL, WORK, AND LIFE EXPERIENCE

This fire professional has taken advantage of numerous professional opportunities throughout their career and now possesses a large collection of professional development certifications and completion records.

TRANSFER CREDITS

A fire professional who has much less experience may also be eligible for this track if they have completed 60 or more college-level credits at an accredited college or university.
